Cher membres...

I hope everyone has had a fun time so far in this year's events with the Alliance. This month we are taking a break from an organized event, in order to prepare well for the upcoming Annual Meeting Potluck Picnic this June & La Fête de La Bastille in July. However, being the soccer fan that I am, I would like to invite all members to join me and my family in attending a semi-pro soccer game on May 20th. The team is called DC FC Le Rouge, and has been playing four years at Cass Tech High School in Detroit with roughly 3000-4000 in attendance. They have a new stadium in Hamtramck this year that can hold around 7000. Le Rouge will be playing the Ann Arbor FC that day. We will also be traveling to attend Paris Saint-Germain vs AC Milan on July 27 in Columbus Ohio, at the stadium where the Ohio State Buckeyes play. For either of these games, we can go in a caravan and park in protected parking together in Hamtramck, as well as travel together for the pro soccer game in Ohio. Please join my family and the Alliance in some great Soccer experience. Marc

Save the Date: July 14th
Bastille Day Celebration at the Edsel &
Eleanor Ford House in Grosse Pointe Shores.
Invitations will be sent in early June
