PRESIDENTS NOTE

Bonjour!

Summer is quickly slipping by and people are trying to fit warm-weather activities into the remaining days before fall sets in. I hope you've taken some time this summer for renewal of mind and spirit.

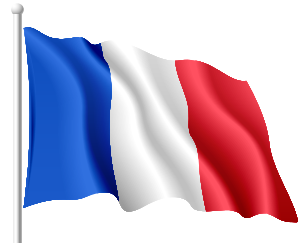

Bastille Day was celebrated on the old streets of Detroit at the Detroit Historical Museum with dinner and entertainment. It was an enjoyable evening with friends! In addition, our new Honorary French Consul in Michigan, Jean Mallebay-Vacqueur, was present and told us a little about what he does in that position. A formal announcement regarding his appointment will come in September.

Did you attend the French Mass at old Ste. Anne's last month? I was out of town but would love to have been there.

August is Dues Month. Dues must be paid in order to attend the Champagne Opener in September for free. The Membership Application for 2017-2018 is attached for your completion. Note for LIFE MEMBERS: Please return the application so we have your current information. Merci!

New French classes for 2017-2018 begin on September 11 at the Assumption Cultural Center. We have revamped the classes a bit to provide for continuity and progression to the next level. Go to our website to see where you fit in!

À bientôt,
Patricia Stewart
